Projects

Mini IT Project

- During my foundation studies, we as a group did a Mini IT Project. The project was focused on developing the Front End and Back End of a website system. We did an online E-commerce store which was named as "MMU Thrift Hub".

Library System

- During our second trimester semester break, me and my friends did a mini OOP concept based project which used the C++ Language. This project was a library admin system project, mainly focusing on C++ and the OOP concepts.

Skills and Certification

Languages

- Malay (Intermediate), English (Fluent), Tamil (Fluent), Mandarin (Beginner)

Programming Languages

- Python, SQL, MySQL, Flask, R, C++, Java, HTML, CSS, Assembly Language

Certificates

- Huawei Talent Online (Math Basics), Huawei Talent Online (Python Programming Basics), Huawei Talent Online (MMU-HCIA-AI), Introduction to Data Science (Great Learning)

Co-Curricular Activities

Taekwondo

- I am a Taekwondo Martial Artist with 3rd Dan Black Belt. I have been learning Taekwondo since I was 8.

SRC MMU Term 2022/23

- I was in the SRC MMU Term 2022/2023. I served as the Executive Officer of Students' Academic and Education Division (SAED). I did quite a number of contribution to the MMU Community such as opening new study spaces in 2 faculties benefiting 500+ students, extending library operation hours and enforcing the rules and regulations of the library.

SRC MMU Term 2023/24

- I was in the SRC MMU Term 2023/24. I served as the Vice President of Student Academics and Excellence. I was advising the SAED division and overlooking all the academic matter in MMU such as Academic Calendar, Internship Programs and working closely with Career Connect Department in MMU.

Events/Leaderships

- HOD Logistics CSRW April 2023, Mobile Committee WIN July 2023, AHOD First Aid & Security Sports Mania 2023, Technical Committee WIN October 2023, Logistics Committee MMU Awards 2023, Discipline Master Wings July 2024, Mobile Captain WIN July 2024, Advisor of UKM X MMU Academic Benchmarking 2024.

Hobbies

Cycling

- I used to cycle since I was 6. I cycle at least twice a week for the betterment of my health.

Solving Rubik's Cube

- I have an interest in Rubik's Cube since I was 13. I solve not only 3x3 cubes but I can also solve Pyramix and 2x2. My Rubik's Cube record is 35 seconds.

Reading

- I love reading books that themed about our life. I have read Art Of War, The Subtle Art Of Not Giving A F*ck, Everything Is F*cked: A Book About Hope, 7 Habits Of Highly Effective People, 48 Laws Of Power.

Chess

- I also know to play chess. I am playing chess since I was 10. I am not a master at chess, but I know how to play it and the basic rules of it.
